TWINS DAYS FIREWORKS

(rain date is Sunday, August 6th)

and the Twins Days Festival Committee

TWINLESS TWINS LUMINARY MEMORIAL

The Twins Days twin family loves all twins, even those whom are no longer with us. Many twins who have lost their twin sibling continue to attend the festival in their twin’s memory. At the festival they find comfort and acceptance with the other twins that attend.

To remember those from the Twins Days twin family who have passed there will be memorial luminary lighting on Saturday at the festival. Surviving twins (Twinless Twin) will have an opportunity to light a luminary in remembrance of their lost twin. Twinless Twins that wish to participate, and that WILL BE IN ATTENDANCE can report to the Information tent located on the midway to sign up for the memorial and write a personal message on the luminary. Due to spacing limitations at the memorial site the number of luminaries will be limited to the first 60 to sign up.

The memorial lighting will occur prior to the fireworks display, at approximately 9:15 p.m.. Twins that have signed up for the launch will need to report to the launch site at 9:00 p.m..
